Urgent Care Services

Walk-in care is now available for any illness or injury, including if you are feeling COVID-19 symptoms. We treat non-life threatening conditions and other ailments that require prompt medical attention, such as: allergies, rashes, scrapes or lacerations, sprains or possible fractures, stings and bites, minor burns, or conditions needing X-rays or laboratory tests. Telemedicine and video conference appointments are also available. Save time with advance check-in at www.circle-health.org/urgentcare.

All Urgent Care locations are open Monday-Sunday, 8:00am-8:00pm

Circle Health Billerica Urgent Care
Treble Cove Plaza, 199 Boston Road
North Billerica, MA 01862
978-323-2850

Circle Health Tewksbury Urgent Care
1574 Main Street, Tewksbury, MA 01876
978-323-5945

Circle Health Dracut Urgent Care
9 Loon Hill Road, Dracut, MA 01826
978-459-2273

Circle Health Westford Urgent Care
Cornerstone Square
198 Littleton Road, Westford, MA 01886
978-323-0302

COVID-19 UPDATE

COVID-19 testing is available by appointment only at all our urgent care locations. Tests are only available BY CALLING 978-323-5945 for an appointment. Do NOT use online scheduling for a COVID-19 test.

Due to the increased demand for testing services, we are not able to provide travel-related COVID-19 testing at this time.

Circle Health Urgent Care is proud to be accredited by the Urgent Care Association of America.
